

Health and Safety Policy Statement

We consider the health and safety of each of our employees to be of primary importance. Our objective is to conduct our business in the safest possible manner consistent with the Occupational Health & Safety Act, applicable Regulations and good construction practices.

Senior management recognises the right of workers to work in a safe and healthy work environment. All employees, contractors, and visitors will be held accountable for their health and safety performance. Remember, think first, use common sense, and don't take chances.

Your attitude and cooperation in the promotion of accident prevention will assist in achieving our goal to make IntuVigilance a better place to work.
